# What's Women TechEU?

Women TechEU is a 2-year EU-funded project supporting women leading deep tech startups from Europe to grow into **tomorrow's tech leaders**.

**160** startups from all over the EU and Horizon Europe associated countries will be receiving direct support.

With a **€75K** grant (equity-free funding) and a **personalised business development programme** for each beneficiary, we're helping pave the way for more women to shine at the forefront of deep tech innovation across Europe.
